Association News

We have a new website!!!! Check it out.

LGHSAumniAssoc.com

Our new leadership is still in its infancy, about 6 months old, but our Wildcat purr is turning into a ROAR. Here is a list of our goals and accomplishments so far.

- We have contacted and helped classes in the process of planning reunions and class parties. We are at their service to help. Some classes are experts and others have needed a helping-hand. We are here for you, if you need us.
- We have begun the process of meeting and creating partnerships with local venues and merchants to assist classes in planning their events. Our goal is to partner with locations and merchants who are offering a variety of price-points and services to our alumni.
- We have joined the Los Gatos Chamber of Commerce and look forward to becoming active members of the community.
- We have met with the High School administration and opened the door for communication. We have many ideas to connect all alumni with their alma mater moving forward. We will keep you posted.
- We have a committee looking into the possibility of having an All School 130th Anniversary Celebration of LGHS in 2018. We will be looking for volunteers to help.
- We plan to have an entry in the Annual Christmas Parade

In order to move forward successfully in the endeavors we are planning, we have some significant needs. If you can assist in any way, we would really appreciate your help. Please contact us at LGHSAumniAssoc@gmail.com

LGHS News

One of the goals of the Alumni Association is to create an ongoing partnership with the Los Gatos High School community. We meet periodically with Principal Kristi (Musser) Grasty, LGHS Class of 1986. We will begin posting what is happening at the school in the News portion of our webpage. Some of the exciting things we recently learned

- The school has new website. Check it out <http://www.lghs.net/>
- Everyone remembers the school newspaper The El Gato....well today it is online. Here's the link <https://elgatonews.wordpress.com/>
- This one is HUGE for our Alumni! I will be highlighting this on our

webpage soon. LGHS has resurrected Career Shadow Day in the 21st century. A webpage was created where companies can sign up to host high school students to shadow their employees. <https://www.myjobshadow.com/> Interested students are paired with someone in a career they find interesting. The results are amazing. There are videos of students telling about their experiences. Very impressive!
