## LGHS News

One of the goals of the Alumni Association is to create an ongoing partnership with the Los Gatos High School community. We meet periodically with Principal Kristi (Musser) Grasty, Class of 1986. We will begin posting what is happening at the school in the News portion of our webpage. Some of the exciting things we recently learned:

- The school has a new website. Check it out at <http://www.lghs.net/>

- Everyone remembers the school newspaper The "El Gato"....well, today it's online: <https://elgatonews.wordpress.com/>
- This one is HUGE for our Alumni! I will be highlighting this on our webpage soon. LGHS has resurrected a Career Shadow Day for the 21st century. A webpage was created where companies can sign up to host high school students to shadow their employees: <https://www.myjobshadow.com/> Interested students are paired with someone in a career they find interesting. The results are amazing. There are videos of students telling about their experiences. Very impressive!
